SASS TERRITORIAL GOVERNORS SUMMIT 2000 RATIFICATION RESULTS

The following are results of the Territorial Governor Ratification for Governors who did not attend the Summit in December 2000. All issues will stand as voted and confirmed by Governor Ratification. Territorial Governor voting results for the December 2001 Summit will be binding.

Ratification Text:

I trust that the Territorial Governors that attended the Summit in Las Vegas acted as responsible representatives of their respective clubs and in the best interest of the general SASS membership, and I wish to stand by the decisions made.

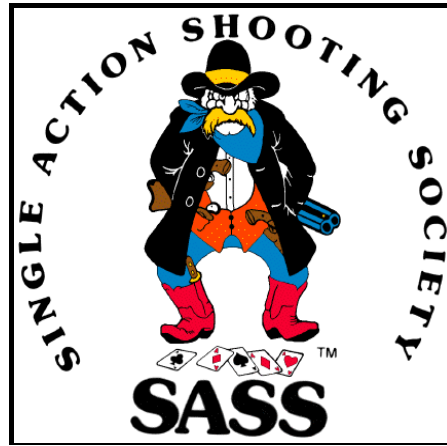

60 Agree - 20 Disagree

Governor Votes

The Governors in attendance strongly expressed the opinion any decisions made and approved at The Summit should be binding, otherwise there was little reason to attend. Prior agendas and proxies allow non-attending Territorial Governors to voice the opinions of their respective constituencies. It was noted this year there was nearly a majority of the Governors in attendance. The sole reservation was for items and new business discussed that were not in the pre-published agenda. Those items should be discussed and voted upon, and then submitted to the remaining Governors for concurrence.

Motion by Hemlock and second from the floor to adopt a binding structure of decisions voted by majority of Territorial Governor's in attendance at the Summit was defeated.

Motion by Texas Palladin and second from the floor to adopt the above motion amended for next year as binding at the 2001 Summit. Current rule will stand for this year as a

The March 2001 issue of *The Cowboy Chronicle* contained an editorial that listed "RECOMMENDATIONS" of the External Modifications Committee. Be advised the material as printed IS NOT and WILL NOT become official SASS Rules until the Territorial Governors have ratified these changes. As always, official rule changes will be published in *The Cowboy Chronicle* once ratified by the Territorial Governors and will become effective for all affiliated clubs 60 days after publication. Please be on the lookout for the finalized external modification rules in the near future. If you have any comments relative to these recommendations, please contact your local Territorial Governor.

**RANGE OFFICER
TRAINING COURSE
INSTRUCTORCANDIDATES**

By Hipshot, SASS #7

We are setting up a schedule of instructors for all SASS Regionals. Many of you have indicated your wish to become instructors, but we need to know which of the Regionals you will be attending and be prepared to instruct. When we get the class schedule completed we will provide course material for your preparation.

COMMITTEE UPDATES

The External Modifications Committee and the Long Range Rifle Committee are nearly done with their proposals. Look for them in the next Bulletin.

**CONVENTIONEERS
CAN SHOOT AT
END of TRAIL!**

What END of TRAIL has previously called "pot shoots" are now called "fun shoots"! They're FREE, and competitors and conventioners can return to the shooting line as often as the lines and their supply of ammo will allow! Additionally, special stages are set up for conventioners throughout END of TRAIL. Conventioners can shoot everyday while the competitors are vying for fame and glory on the fields of honor! Check the Shooters Program for times and places.

Yes, conventioners can bring your guns and ammo this year!

Territorial Governors interested in adding items to the END of TRAIL 2001 Territorial Governors meeting are asked to fill out this form and return it to Hipshot at the SASS Office no later than April 15, 2001

**BADGES ARE A "MUST"
AT END of TRAIL!**

Everyone must be a SASS member to participate at END of TRAIL. Competitors, convention-eers, and some entertainers are allowed to wear their guns throughout END of TRAIL – EVERYONE wearing a gun MUST have their SASS badge clearly visible, or be challenged and instructed to put their guns in the car. It's hard to win a competition with your guns in the car!

If badges get lost or forgotten, contact the SASS Compound, and they'll issue a temporary SASS badge, but there will be a charge for the service.
