SASS Club Representative,

Thank you for your club's interest in the SASS Sanctioned Wild Bunch Championship Program.

The SASS Office will forward a copy of your application to the Wild Bunch Committee if they have not already received it. In addition to the application requirements there are certain criteria regarding being awarded the SASS/WBAS Championship match that are included in the Guidelines

Please take the time to read and understand these documents. Please submit the signed and completed Championship Application and Agreement to the SASS Office at the above address, attention "SASS Clubs" or email to [amber@sassnet.com](mailto:amber@sassnet.com).

**All 2020 match applications must be received no later than September 1, 2019. Any application received after September 1, 2019 will not be considered.**

Once your club has communicated to your area Ambassador that it can conduct a SASS/WBAS Championship match under the requirements listed in the Guidelines, your application will be forwarded to the Wild Bunch Committee for approval and then to the SASS office with a positive recommendation.

The fulfillment of these requirements, and your club's *consideration* of the recommendations will help ensure SASS/WBAS matches are conducted with the consistency and continuity which will be appreciated by all Wild Bunch Action Shooting participants across the country, as well as internationally.

Please feel free to contact your area Ambassador with any questions you may have. They have a good deal of experience in assisting with the organization, stage writing and the operation of Regional, National and World Championship SASS/WBAS events.

Thank you,

Amber Oakley

## 2020 SASS® INTERNATIONAL WILD BUNCH CHAMPIONSHIP

### **SASS commits to fulfill its Wild Bunch Championship sanction support by providing the following:**

- Endorsement of the match as a SASS Sanctioned Wild Bunch Championship.
- Award/Trophy for Men's and Ladies Winners. (4)
- Space for a post-event article in *The Cowboy Chronicle*. (Article preparation and submittal is the responsibility of the host club.)
- Championship select exposure on the SASS Web Site and a bold listing in *The Cowboy Chronicle*.

### **Club Agrees to the Following:**

- Conduct match in accordance with "**SASS WILD BUNCH ACTION SHOOTING CHAMPIONSHIP GUIDELINES.**"
- Provide single card recognition as "**SASS® Presents**" before "**MATCH TITLE**" and "**THE SASS (Location) WILD BUNCH ACTION SHOOTING CHAMPIONSHIP**" after "**MATCH TITLE**" in all advertising, printed materials, event program cover, shooters program, and awards presentation.
- Print the "**SASS SANCTIONED MARSHAL**" logo in every instance the "**MATCH TITLE**" is used as outlined in the previous paragraph.
- Provide display space for **SASS** banners.
- Event Program advertising: One black and white full page on inside front cover, dedicated to SASS.
- 10' x 10' **SASS** vendor display space in choice position on Sutlers' Row.
- Two passes to the event, Hospitality Tent, and all social functions.
- Two shooter entries and two preferred parking passes.
- Club agrees to submit a \$5 per paid shooter sanctioning fee. (Sanctioning fee submission form is attached.)

### **The Match Event:**

- The match will be conducted as a standalone match. It may be held in conjunction with a CAS match for purposes of convenience (i.e. scheduling, maximizing attendance, logistics and facility availability).
- WBAS matches must be conducted under all current SASS/WBAS rules. No exceptions to firearms requirements specified in the rules will be made.
- Minimum of 10 main stages, computerized scoring system, and all SASS Wild Bunch shooting categories.
- Scoring must be accomplished by Stage Points.
- Club must conduct the match in accordance with the current **SASS Wild Bunch Action Shooting Handbook and the Wild Bunch Action Shooting Range Operations and Match Directors Guide.**
- All competitors will expect to have their Pistol and Rifle ammunition tested over a chronograph during the match to ensure compliance with the ammunition requirements.
- All Range Officers must have completed the SASS Basic Range Operations Safety Course.
- No money or prizes may be given for place of finish in the main match, side matches, pot shoots, or demonstration matches. All prizes must be distributed randomly.

### **Match Reporting-Mandatory Match Reports:**

Once your match is over, it is important everyone understand how successful, fun, and memorable your match was! To ensure your match is presented in the best light possible, here are a few things you can do that will help make the task easier:

- Make sure someone is assigned BEFORE the match to write the match report.
- Make sure plenty of good quality photos are taken at the event.
- Submit the match report text in Word (800-1500 words). Please don't supply a list of stage scenarios.
- Select less than a dozen good photos (not "thumbnails") and develop captions for the pictures. Captions are one or two sentences that tell us something besides the obvious about the picture.
- Select a couple dozen (at most) photos that best represent the match and submit those for a collage. (Please DO NOT submit 400 photos and ask the editors to choose!)

- Submit all of the above to *The Cowboy Chronicle* for publication directly to the Editor-in-Chief, Skinny (Leonard Clark) at: editor@sassnet.com or via the SASS Office at: sass@sassnet.com no later than 60 days after your event.
- **Failure to submit a match report may result in revocation of your sanctioning status in the future.**

#### **Sale of Score Enhancing Items:**

- SASS Canadian National Wild Bunch Championships may not sell or otherwise incorporate any score enhancing items such as “Free Misses” or “Do-overs.”

#### **Determining the SASS Wild Bunch Shooting Champions:**

SASS Wild Bunch Winners are recognized in each category and shall reside in the area of the event. The highest-ranking person in each category, regardless of their state, should also be recognized as the Match Category Winner.

#### **Minimum Size Targets at Maximum Distance:**

These are the minimum standards for Wild Bunch Matches. The use of more difficult targets such as plate racks, dueling trees, hostage targets, etc. is both common and encouraged. The higher power factor ammunition makes these targets react easily and many Wild Bunch shooters appreciate a higher skill level. It is important to remember, however, that Wild Bunch Action Shooting is an Action Shooting sport that promotes speed, movement, and accuracy. It is not a bullseye competition. Wild Bunch match directors should keep targets and sequences appropriate for all skill levels. Smaller or more distant, difficult targets placed strategically in the match is fine, but this concept should not dominate the design.

**1911 Pistol target** distance is 7 to 10 yards.

**Shotgun target** distance is 8 to 16 yards.

**Rifle target** distance is 13 to 50 yards.

#### **SASS Shooting Categories:**

All SASS Wild Bunch Matches are required to offer only a few shooting categories. Categories are divided into two main divisions **Traditional** and **Modern**. Each division should offer a Men’s and Ladies Category. **Additional age based categories may be added to the Traditional and Modern category headings if the demand warrants. Guidelines for division by age are: At least 10 shooters must be registered for the category to be recognized. There must be at least 10 shooters remaining in the "parent" category, (MM, MT, LM, LT).**

#### **Recommendations:**

We recommend that at least the top 5 shooters in each category be recognized (certificates are certainly suitable particularly for larger matches). We recommend that you attempt to keep posse size in the range of 15 to 18 shooters. We recommend that you have as many posse marshals as possible be certified WBAS Range Officers.

We recommend that your match director not only be knowledgeable with regard to WBAS rules, but he or she also be familiar with the inherent differences between WBAS and CAS (specifically in the area of stage design). We recommend that your club consider having a WBAS Orientation training day for interested shooters. (This promotes safety and understanding of the rules and will assist your club in creating a successful Championship Match).

#### **Sanctioning Fees:**

SASS® Sanctioned Shootouts pay a \$5 per paid shooter sanctioning fee. \$100 minimum sanctioning fee regardless of the number of paid shooters. This fee should not be presented as a separate line item as a "SASS fee" - rather, it is recommended this fee be incorporated into your shooter fee pricing.
