At the signal engage the Big cowboy and any 3 RP targets alternating the shots starting on the Big cowboy for 6 rounds. Make rifle safe. From the wagon with the shotgun engage the 4 knockdowns once each (NON COMSTOCK). Make shotgun safe. From the table shoot the 3 P targets in a 2-1-2 sweep from either direction, and repeat. Then with pistol starting on the Big cowboy alternate between the Big cowboy and each of the standard cowboy targets for 10 rounds.
